

## OMNIPOD DASH PUMP SCHOOL

In order to be prepared for training, please take the time to do the following to ensure that together we can optimize your learning experience:

1. Open your box(s) and take everything out.
2. Insert the battery in your PDM and ensure it is fully charged **before** your appointment.
3. Click on the following link to view the Omnipod Dash training videos:  
[https://www.omnipod.com/en-ca/DASH\\_video](https://www.omnipod.com/en-ca/DASH_video)
4. Program your name, time and date into the PDM, practice button pushing and familiarize yourself with the menu options.

**Call Omnipod Technical Support at 1-855-763-4636 (press 3) if you have any questions before your training date.**
